

2020-21 Verification Worksheet Independent Student

PLEASE PRINT CLEARLY

Your 2020–2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before disbursing Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA.

To verify that you provided correct information, the Office of Financial Aid at West Coast University will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Financial Aid at West Coast University. We may ask for additional information. If you have questions about verification, contact the Office of Financial Aid as soon as possible so that your financial aid will not be delayed.

C. Independent Student's Income Information to be Verified

Instructions: The information below applies to both student and spouse if married. Notify the Financial Aid Office there has been a change in your marital status since December 31, 2018.

- 1. IRS TAX RETURN FILERS:** You must provide to WCU documentation verifying the 2018 income tax return information that was filed with the IRS. The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If that is not possible, you may instead provide an IRS Tax Return Transcript, or a signed copy of the 2018 income tax return and applicable schedules, to the Financial Aid Office.

If you are married and you and your spouse filed separate 2018 tax returns, the IRS DRT is not an option and 2018 IRS Tax Return Transcripts, or a signed copy of the 2018 income tax return and applicable schedules, must be provided to the Financial Aid Office.

If you (or your spouse, if married) filed, or will file, an amended 2018 IRS tax return, you/your spouse must provide a signed 1040x Amended US Income Tax Return that was filed with the IRS, in addition to one of the following:

- ▶ IRS DRT information on an ISIR record with all tax information from the original tax return; OR
- ▶ A 2018 IRS Tax Return Transcript (that will only include information from the original tax return and does not have to be signed), or any other IRS tax transcript(s) that includes all of the income and tax information required to be verified; OR
- ▶ A signed copy of the 2018 IRS Form 1040 and the applicable schedules that were filed with the IRS.

- 2. TAX RETURN NONFILERS:** Complete this section if you, the student, will not file and are not required to file a 2018 income tax return with the IRS. Check the box that applies for student (and spouse, if married):
