

# 2023-24 Cal Grant Asset Verification

West Coast University is not able to confirm that you meet the Cal Grant asset ceilings for the 2023-24 aid year. This information is usually obtained through the Free Application for Federal Student Aid (FAFSA). However, the Department of Education uses skip-logic on the electronic FAFSA on the Web application that permits applicants who meet specific criteria to skip asset-related questions. Your and/or your parents' asset information was not collected on the 2023-24 FAFSA. Therefore, you must complete this form to provide us with your or your parents' asset information so that we may determine your eligibility for a Cal Grant. Your Cal Grant application will remain on hold until this information is provided.
