Clinical Education

Does this program have a requirement for all students to complete at least one clinical education experience for which the students would be required to seek alternative housing or travel accommodations to attend x Yes No

Note: Students are responsible for costs associated with housing, travel and food during clinical education. Programs should add any additional comments about clinical education here.

Clinical experiences consist of four full-time experiences (PT 719, PT 729, PT 739, PT 749) totaling 2040 hours or 48 weeks. Students must practice under the direct supervision of a licensed physical therapist within a variety of settings with patients experiencing a range of conditions throughout the lifespan. These clinical education courses are designed to provide learning opportunities in diverse patient care settings with progressing complexity in clinical reasoning and critical thinking throughout. The goal of clinical experiences is to ensure that students are prepared to pass the NPTE licensure exam and enter clinical practice as entry level clinicians.
